

DEPARTMENT OF THE AIR FORCE

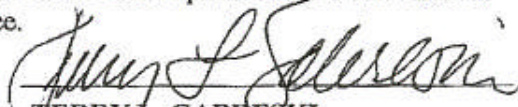

PRESENTS THE AWARD
FOR EXEMPLARY CIVILIAN SERVICE
TO

TROY L. GRAHAM

CITATION:

In recognition of his distinguished performance as a Mechanical Engineer, Production Engineering Section, Process Control and Improvement Branch, Engine Division, Directorate of Maintenance, Oklahoma City Air Logistics Center, Tinker Air Force Base, Oklahoma, from June 2001 to May 2004. Mr. Graham's expertise and consistently high level of performance in direct support of engine production have contributed immeasurably to the successful accomplishment of the Air Force mission. Through his keen insight, technical expertise and total dedication, Mr. Graham ensured the complete success of the implementation of the Axiam Rotor Stacking System. The distinctive accomplishments of Mr. Graham reflect great credit upon himself and the United States Air Force.
